SIR,

In forwarding herewith the records received with Chitaldrug District Deputy Commissioner's letter No.A5-2081/30-31 dated 8th -- July 1931 (copy enclosed) in re the construction of a new temple for the Sri Anjanevaswamy in the new village of Vasana Harihar Sub Taluk, I have the honor to state that the old village being found inconvenient a new village has been formed at a distance of about 6 furlongs from the old village site. About a hundred houses have been built in the new village and some thirty families are continuing to live in the old village.

There is an Anjanevaswamy temple in the old village which is in a very dilapidated and dangerous condition and where even puja is not being now conducted. It is necessary that it should be reconstructed The Deputy Commissioner has proposed that a new temple at a cost of - Rs.1070/- may be built in the new village, the cost being met from the Institution funds. Some of the Dharmadarsis living in the old village are not agreeable to shift the temple to the new village. As more -- than 2/3 of the number of families have shifted to the new village, it is only a matter of time for the others to follow them. In such ----- circumstances, it is desirable to have the new temple constructed in the new village. I therefore recommend that sanction of Government may be kindly accorded to the construction of the new temple in the new village. On receipt of Government sanction therefor the estimate

will be sanctioned by me.

I have the honor to be,

S i r,

The majority of the -- Dharmadarsis have agreed to the construction of the temple in the new village and have also passed a resolution that the estimate for Rs.1070 may be sanctioned, the cost being met from the temple funds. Two of the Dharmadarsis have declined to sign the estimate as they are unwilling to shift to the new village. The Deputy Amildar reports that about 100 houses have been built upon in the new village and occupied while only 40 houses still remain in the old village. The new village is reported to be only at a distance of about 6 furlongs from the old one.

Both the Deputy Amildar and the Sub Division Officer recommend that the estimate for Rs.1070/- may be sanctioned, the cost being met from the temple

temple funds. A sum of Rs.1251-0-4 is reported to be available at the credit of the Institution. I request you to kindly sanction the estimate for Rs.1070/- the cost being met as proposed by the Sub Division Officer.
